

## PCDC COVID-19 Indoor Events Policy – Attendees

This policy defines the process and requirements for all PCDC indoor events during the COVID-19 pandemic. It remains in place until modified or discontinued by the PCDC Board. We know this is a lot to read. Please read all of it and [contact us](#) with any questions.

### WELCOME BACK!

PCDC is pleased to have resumed dancing and non-dancing indoor events. During this time of COVID-19, your health and safety continue to be our top priority. PCDC is committed to following the guidelines from the CDC, and State/local government.

You can see details and explanation of our main COVID-19 General Policy on our [website](#). In a nutshell, be fully vaccinated, wear a well-fitted mask, and sign an events waiver.

### SO, HOW DOES THIS WORK, NOW?

#### In general, when attending a PCDC event....

- 1) Check to see if the organizers require pre-registration.
  - a) Some events must limit attendance to avoid unsafe overcrowding.
  - b) If requested, be sure to pre-register so you aren't turned away at the door.
  - c) PCDC members get some preference for pre-registered events. If you aren't a PCDC member, [join now](#). Not sure if you a member? Just ask [our membership guru](#).
  
- 2) When you arrive, complete the check-in process:
  - a) Bring identification (driver's license or government issued ID card).
  - b) Provide contact tracing information if requested (save time and fill out a [contact tracing form](#) online)
  - c) Sign a PCDC events waiver (save time and print/sign a [waiver](#) to bring with you)
  - d) Provide proof of "**Full COVID-19 vaccination**".
    - i) **Full COVID-19 vaccination is two doses of Pfizer or Moderna, or a single dose of Johnson and Johnson, and at least one booster, if eligible-**
    - ii) Proof of vaccination can be the physical card, photo, digital image of card, or printout/digital image of a State of Oregon SMART Health Card.
    - iii) We understand that requiring vaccinations will exclude young children who are too young for vaccines at this time. We will miss them and look forward to seeing and dancing with everyone again someday.

**NOTE:** PCDC (and some local non-PCDC activity) events maintain a database of attendees who have met these conditions. These "Verified attendees" need only show ID (if requested) for entry at subsequent PCDC events (so check-in will go MUCH faster). If any of this information changes, be sure to let PCDC know.

## PCDC COVID-19 Indoor Events Policy – Attendees

- 3) PCDC requires all attendees always wear a “well-fitted mask”:
    - a) A "well-fitted mask" is a mask that fully covers the nose and mouth at all times, is made of multi-ply material (cloth and/or surgical masks, typically together), or is an official N95, KN95, or K94 mask (all without valves). **Masks with holes, face-shields, gaiters, single-layer masks and bandanas are not considered well-fitted masks.**
    - b) Masks may be temporarily removed for drinking water or while outside.
    - c) **EXCEPTION:** While on stage, performers may choose as a group to be masked or not. When they leave the stage, they must be masked (callers on the floor must also be masked).
    - d) **NOTE:** *We understand that the Oregon Mask Mandate is no longer in place. Our activities involve close contact with many others while engaging in physical activity. To help keep you safe, PCDC has decided to require masks at indoor events. We will revisit this as we continue to review the infection rates and hospital data provided by the CDC and State.*
  
  - 4) Keep yourself and our community safe:
    - a) Do not to attend if you...
      - i) Feel ill (even if you test negative).
      - ii) Have recently been in close contact with someone who has COVID-19.
    - b) Consider not attending if you...
      - i) Are immune compromised.
      - ii) Live with or care for those who are immune compromised.
      - iii) Have unvaccinated household members.
    - c) Respond to follow-up email request to contact the Organizers via email should you develop symptoms of COVID-19 or test positive for COVID-19, within 10 days of the event.
    - d) Consider bringing a personal water bottle.
    - e) Wash your hands at events.
- 

## SPECIFIC EVENT POLICIES

Individual events may have additional rules or guidelines, be sure read all event flyers, notices, policies, and pre-registration materials to avoid miscommunication. Check to see if these apply to your activity.

### Concerts (Small ensemble performing with Audience)

- 1) **PCDC Note:** Audience must be at least 12 feet from Performers.

### PCDC Sponsored Rehearsals and Teaching Sessions (for example: Megaband Rehearsals, Tune teaching session)

- 1) All musicians must wear a well fitted mask at all times (except for wind instrument players *while playing*).
- 2) Musicians must wear a mask if taking a break.
- 3) Per Oregon masking guidelines Director/Instructor/Presenter may choose to be unmasked assuming adequate spacing between them and musicians (but must be masked if they need to move nearer to musicians).

## PCDC COVID-19 Indoor Events Policy – Attendees

### Northwest Passage Dance Camp (NWP)

- 1) NWP requires pre-registration in order to control number of attendees and manage the check-in process. PCDC members do not get a preference for registration.
- 2) To confirm COVID-free status, each participant must take a COVID-19 Rapid Antigen test before leaving for camp (preferably no more than 24 hours before arriving at camp) to ensure the protection of all camp participants. Attendees are asked to bring two additional rapid tests with them to camp. Free tests are available at <https://special.usps.com/testkits>.
- 3) Upon arrival, all attendees will be required to take a COVID-19 Rapid Antigen before signing in and finding accommodations. If that test is positive, the attendee will not be allowed into camp.
  - a) If one person in a carpool tests positive, all people in the carpool will not be allowed into camp. We strongly recommend that carpoolers wear masks and ensure that all members of the carpool tested negative before joining the carpool.
  - b) If a staff member tests positive and has no way to leave camp, one of the small camp cabins or tent areas will be set up as a quarantine.
  - c) Those arriving outside initial registration/check-in hours must notify NWP staff so we can administer tests when they arrive.
- 4) Masks are required of attendees in indoor spaces, except when actively eating, drinking, bathing or sleeping. Attendees are asked to bring a supply of masks with them for the weekend. NWP will have some extras available. Attendees may be referred to an [article on K95 masks](#).

Staff musicians and teachers are not required to wear a mask while they are performing and physically distanced from other participants. (If the caller decides to call or teach from the floor, they must be masked.). Wind players in classes may be unmasked if they are socially distanced.

- 5) The following measures will be in place to minimize risk at camp:
  - Kiwanis staff will be fully vaccinated and likewise tested upon arrival at camp.
  - Air scrubbers in each forced-air HVAC system will help mitigate the spread of pathogens.
  - Hepa filters are located in each sleeping area.
  - Each bunk bed has a personal semi-permeable curtain upon a side of the bed. (This is to provide more privacy as well as reduces the risk of droplets spreading while everyone is unmasked while sleeping).
  - All sink faucets, toilets, and paper towel holders will be hands-free.
  - Camp staff will wipe down surfaces in restrooms 3 times a day.
  - Kiwanis will use a Fogging machine (hypochlorous acid) at least once/day in large common areas, include Fanning, Cy, Laurel lodges (about 30 minutes).

## **PCDC COVID-19 Indoor Events Policy – Attendees**

- For those who want to eat out of doors, there will be 5-6 big tents outside with large picnic tables seating 10-12.
- Meals will be served buffet style by the camp staff; likewise, Snacks will be served by a staff or volunteer person.
